

Our mission at NOEFC is to be a body of growing disciples who know, love, follow, and lead others to Jesus.

**GRADUATION SUNDAY
JUNE 6, 2010**

*“So teach us to number our days,
that we may present to You a heart of wisdom.”*

Psalm 90:12

It is our privilege to welcome you to NOEFC! At Friends we invite you to do these things:

- 1. Friends Celebrate!** We worship a great God who has poured out His love through the life, death and resurrection of Jesus Christ. We were made to praise God! When we come together and give testimony to His goodness and praise Him for who He is, we take a step toward wholeness.
- 2. Friends Connect!** Pastor Geoff says that one of the greatest gifts God gives to His people—is His people! We were not meant to be alone. Part of being a part of this community is getting to know one another. We challenge you to invest yourself in others by staying for coffee, joining a small group or attending a ministry team meeting. We encourage loitering after services!
- 3. Friends Care!** When we consider what God has done for us, we become aware that we can help others. The Bible tells us to put on a heart of compassion. We desire to be a church that puts our words into action by demonstrating the love of God in and outside of the church. You can help us!

SERVICE TIMES: 9:15 AM AND 11:00 AM

As a courtesy, please turn off pagers and cellular phones before the start of the service. Thank you!

NEW TO FRIENDS?

Welcome to Friends Church! We're excited that you've joined us for worship and look forward to getting to know you a little better! Take a minute and fill out a communication card which you'll find in the pew rack in front of you and drop it in the offering plate when it comes by.

Here's some information to make your visit more comfortable:

Free Gift and Church Information - Stop by and introduce yourself at our Welcome Center located in the main lobby and receive a free Friends gift and some great literature about the church.

Friends Fellowship Café—On Sunday, visit our Family Life Center and find fresh brewed coffee, pastries and fellowship. We hope you'll join us.

Join us for our quarterly **Guest Reception for newcomers**. We'd like you to be our guest! Lunch is served! You'll meet the staff and have the opportunity to ask questions about Friends Church.

Ministries For All Ages - There are many opportunities for spiritual growth and fellowship.

Our youth (grades 6-12) and children's programs (birth-grade 5) are safe places where children can learn about Jesus through age appropriate, biblically-based curricula.

How to Get Connected. We believe that if you don't make a Friend at Friends Church you won't be at Friends Church very long. The best way to get connected is to visit one of our small groups. Just check the box on your communication card for small groups and someone will contact you right away with more information.

Website - Check out www.noefc.org for up-to-date information about our ministries, staff, current bulletin, and our Sunday sermons online.

Considering membership? If you have been visiting Friends and believe God is leading you to make a deeper commitment to the ministry, we'd encourage you to participate in our **Welcome to Friends Class** - it's a great picture of who we are as a church and where we're going. The next class will be held in early fall.

Please Note: Sermons are available on CD. See the display in the north hallway.

Don't forget NOEFC offers an **ONLINE GIVING** option. Visit our website at noefc.org and click on the **ONLINE GIVING** button.

UPPER ROOM @ FRIENDS

TODAY @ Upper Room—NEW SERIES—Green By Design. As believers, many of us don't often see a connection between our faith and the environment. To the world around us, the church at times seems indifferent to this real and growing concern. The truth is, the world is part of God's apologetic about Himself; as Christian's it's

part of our response to maintain its beauty and complexity. God is the ultimate environmentalist who seeks to restore His total creation. Join us on Sunday evenings @ the Upper Room for the next four weeks as we discover our response to the serious issues confronting our environment - from the crisis in the Gulf to the crisis in our own backyards. The Upper Room meets at 6:30 pm in the FLC.
